# Simply Amazing Coffee

Compadres Trading Company carefully sources our coffee beans from around the world so that you get an excellent brew and the farmers growing the plants get a fair return for their efforts. Even more, Compadres has teamed up with several suppliers in a direct trade arrangement with farmers allowing us to pay double the fair trade rate.

All coffee comes in 10oz. bags and is available as whole bean or ground (flavored coffees available in ground only). All of our coffees are caffeinated unless specifically marked as decaf.

Good Spread is a collective response to malnutrition, harnessing the taste buds and purchasing power of our customers to help reach those children who need this treatment the most. Good Spread create all-natural, delicious food products and use portions of their profits to donate treatments of Mana to malnourished children around the world.

The Problem is **MALNUTRITION**

Malnutrition is the leading cause of death in children worldwide. Without proper nutrition, growth is stunted, the immune system is weakened and education becomes nearly impossible.

The Cure is **MANA**

Malnutrition has a cure—a peanut butter-based medicine called Mana. Mana is made with simple ingredients: peanut butter, milk and multivitamins. It's effects are life-saving. **96% of children treated with MANA are cured.**

# ARAPAL LIVELIHOOD PROGRAMS

Based in one of the poorest areas of the Philippine Islands, Arapal's Livelihood Programs provide training and resources to help the poor become self-sufficient.

**Skill Development**—Arapal staff and volunteers teach sewing, soap making, computer operations, jewelry and purse-making with beads and trash, etc.

**Give a Goat**—Arapal is able to be successful giving goats as a sustainable livelihood tool because it is an accepted and indigenous practice to the people of the Philippines.

**Organic Gardening**—Arapal provides basic horticultural instruction which allows a poor family to feed itself in much healthier ways, as well as to grow more food for sale.

**Worm Farming**—Arapal teaches its constituents to raise worms which provide a great source of protein for feed and for enriching the soil.

**Organic Pig Raising**—Arapal is demonstrating how pigs can be raised economically, organically, and without unpleasant odors. Though Pigs do not have all the benefits of goats, but they are a way for some of Arapal's clients to enhance their earnings and their nutrition.

**Chicken Raising**—Arapal is providing chickens and training in how to raise chickens as a way to provide eggs and poultry.

# Vintage Inspired Art & Décor

Eileen Hale & Euline Smith were strong women. Their lives inspired their grandson to follow his dream of becoming an artist and designer. He created Eileen Euline with both of them in mind. His handmade creations often have a worn, vintage appeal.

# The Fund for ANIMALS

The Fund for Animals five direct animal care operations provide veterinary treatment for thousands of animals year-round, while training volunteers and supporting their local communities.

**The Cleveland Amory Black Beauty Ranch**, in the rolling hills of east Texas, provides permanent sanctuary for nearly 1,000 rescued animals. With over 40 species—ranging from chimps and camels to horses and tigers—this world-renowned facility is the largest and most diverse of its kind.

**The Fund for Animals Wildlife Center** in Ramona, CA, provides year-round rehabilitative and medical care to injured and orphaned wildlife and specializes in native predator species such as bobcats, coyotes, bears and eagles. The facility is also a safe home for some animals rescued from the pet trade who cannot be released to the wild.

**Cape Wildlife Center** on Cape Cod, MA provides year-round emergency care and rehabilitation annually to nearly 2,000 animals from 135 species.

**Duchess Sanctuary** is a safe haven for formerly abused, abandoned and neglected horses. Situated outside of Oakland, OR, it offers permanent sanctuary to more than 190 equines.

**The Rabbit Sanctuary, Inc.**, located in Simpsonville, SC, is a permanent refuge for many dozen injured or displaced rabbits who were abused or discarded as “throwaway” pets.
